

Webcomic Remix

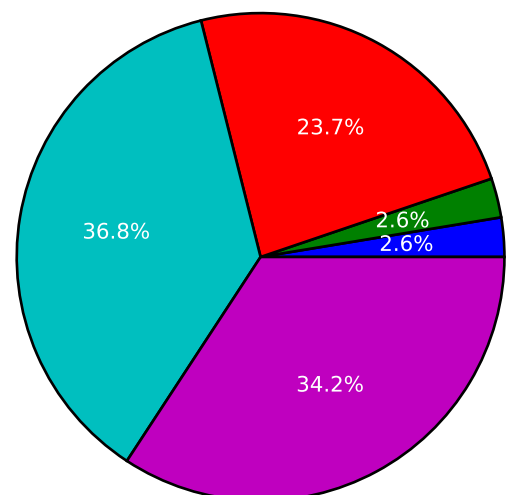

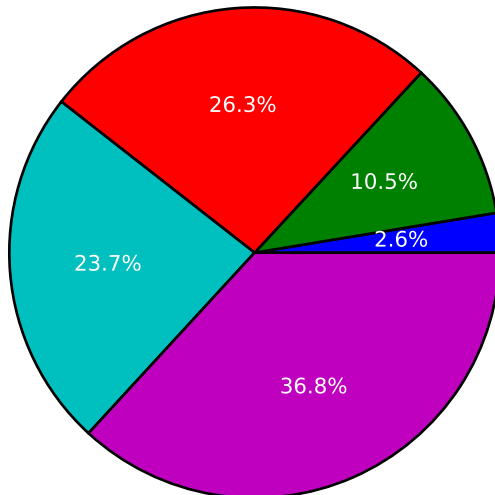

I felt comfortable asking questions at the workshop.

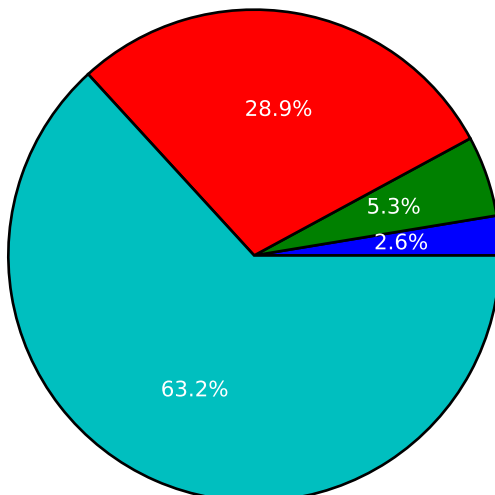

I enjoyed the workshop and learned something interesting.

I think I would enjoy the workshop leaders' job. The workshop made me feel like I can have a job in science, engineering or math.

I enjoyed listening to my workshop leader give their presentation.

You did great at helping and answering questions even though some stuff didn't work out! :)

Great help

I liked how the instructor related a piece of writing techniques to poems.
