

Buggy Brouhaha

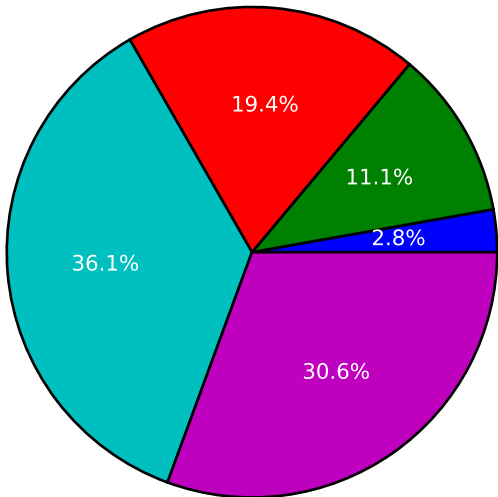

I felt comfortable asking questions at the workshop.

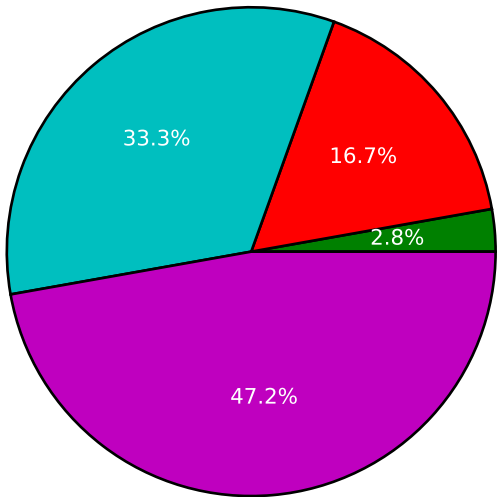

I enjoyed the workshop and learned something interesting.

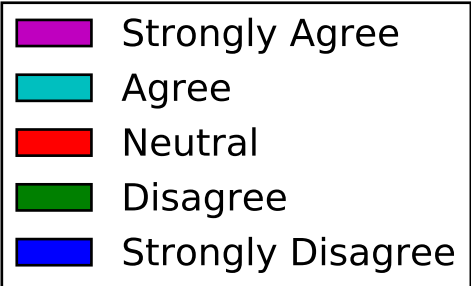

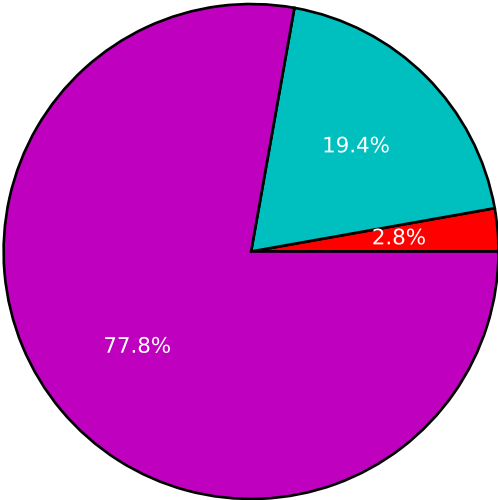

I think I would enjoy the workshop leaders' job.

The workshop made me feel like I can have a job in science, engineering or math.

I enjoyed listening to my workshop leader give their presentation.

this station was fun

I loved learning about nature and the hands on experience was great

So much fun! :)

I enjoyed the leaders. They were funny and helped me learn something.

I enjoyed touching the animals and watching the video.

I really enjoyed this.

Amanda gave detailed and humorous explanation when telling us about the insects. While Brendan and Eric communicated with us while explaining.
