

Work-Life Balance: Architect in Residence

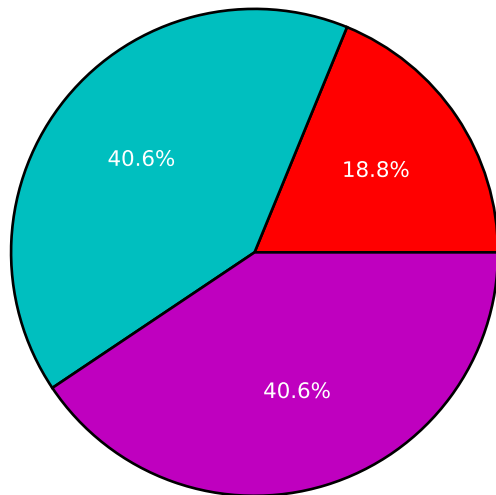

I felt comfortable asking questions at the workshop.

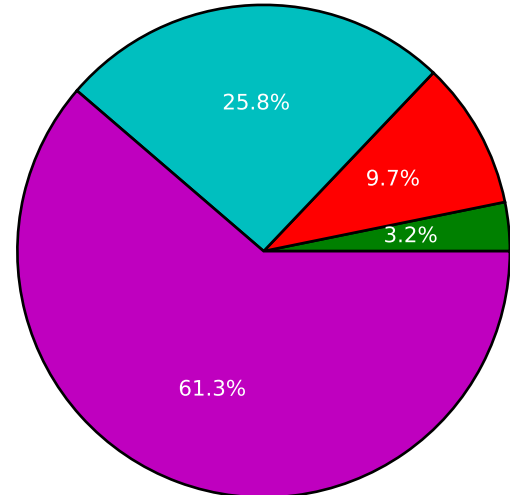

I enjoyed the workshop and learned something interesting.

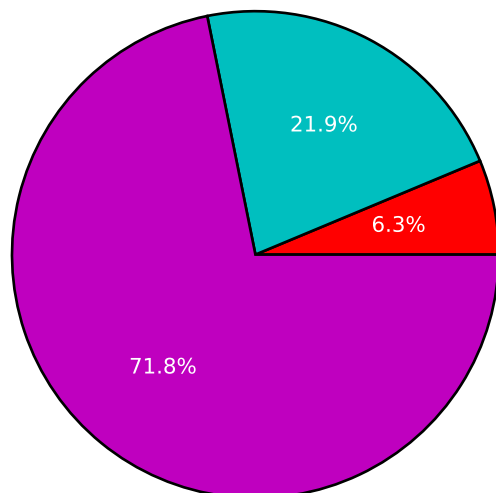

I think I would enjoy the workshop leaders' job.

The workshop made me feel like I can have a job in science, engineering or math.

I enjoyed listening to my workshop leader give their presentation.

Comments

I loved this workshop. the people were SO NICE

They are very nice!

maybe spend a little less time on the presentation

You guys are fun, smart, and entertaining!

I liked the part when you said what your favorite job was
