

Microbes! Exploring Invisible Worlds

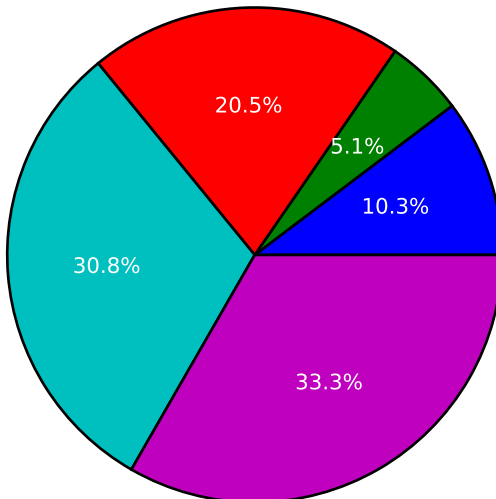

I felt comfortable asking questions at the workshop.

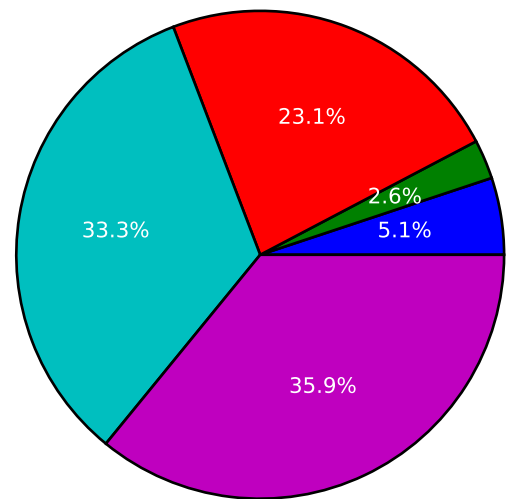

I enjoyed the workshop and learned something interesting.

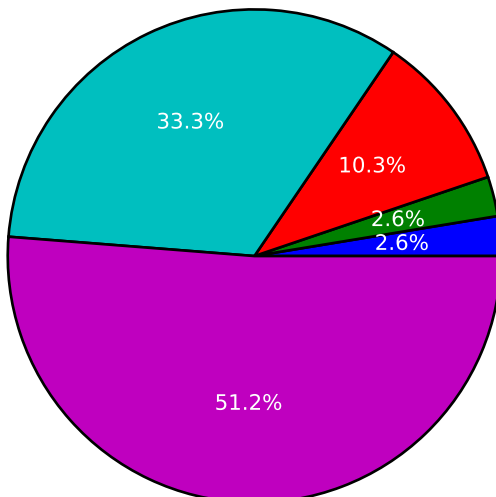

I think I would enjoy the workshop leaders' job.

The workshop made me feel like I can have a job in science, engineering or math.

I enjoyed listening to my workshop leader give their presentation.

Thank you for showing me new things and ideas

in the last picture how did all of the microbes get into the lake and how long did it take
