

Mix it Up! A Food Experiment

I felt comfortable asking questions at the workshop.

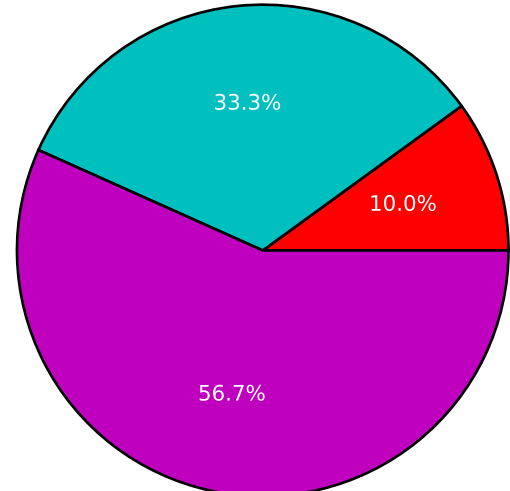

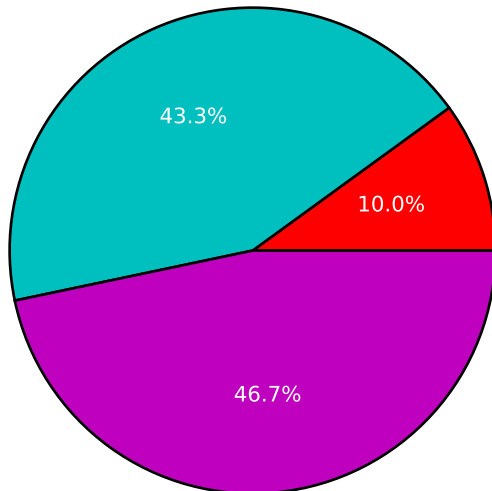

I enjoyed the workshop and learned something interesting.

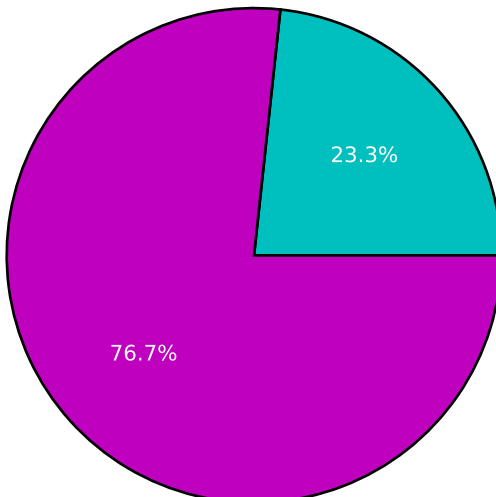

I think I would enjoy the workshop leaders' job.

The workshop made me feel like I can have a job in science, engineering or math.

I enjoyed listening to my workshop leader give their presentation.

Comments

I liked it when we did the experiment with the vinegar, mustard, tomato paste, etc

It was very fun to be in the workshop and playing with the food

Thank you

great job

It was really fun
