

Hunting for Another Earth

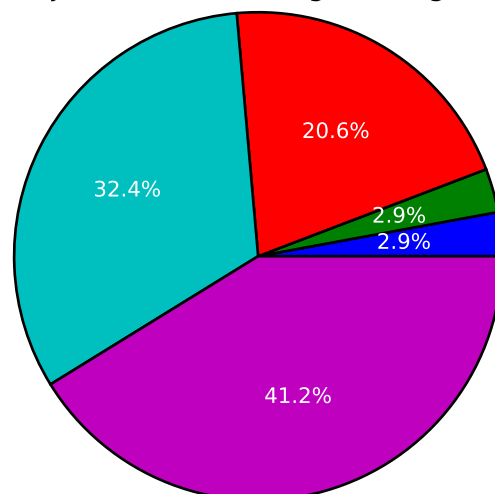

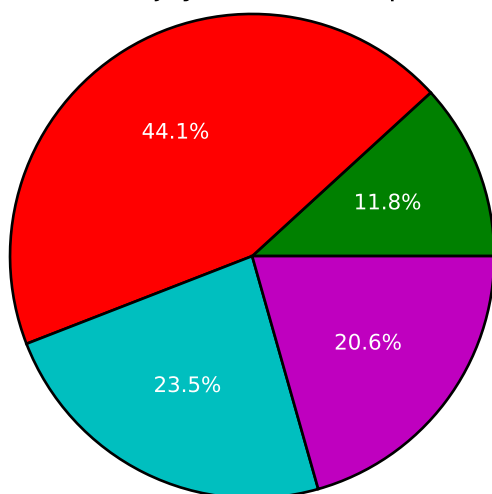

I felt comfortable asking questions at the workshop.

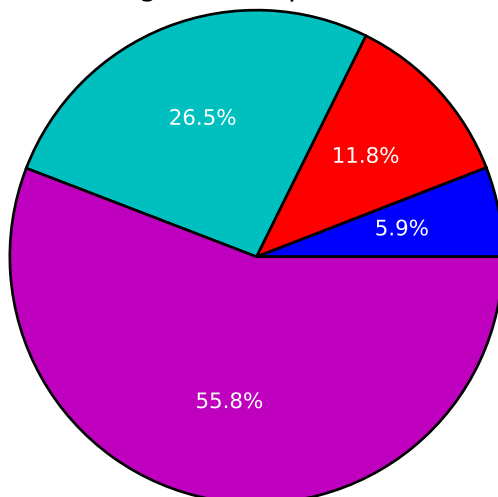

I enjoyed the workshop and learned something interesting.

I think I would enjoy the workshop leaders' job. The workshop made me feel like I can have a job in science, engineering or math.

I enjoyed listening to my workshop leader give their presentation.

More background information!

Just maybe let more people contribute to the presentation. Also, get used to the material and don't be as nervous.

I liked the part when we were playing with the stick with Jupiter, Earth
