Rooting into your Future

I felt comfortable asking questions at the workshop.

I enjoyed the workshop and learned something interesting.

The workshop made me feel like I can I think I would enjoy the workshop leaders' job. have a job in science, engineering or math.

15.4% 2.6% 61.5%

20.5%

I enjoyed listening to my workshop leader give their presentation.

Comments

This was an amazing experience and I would totally do this again and recommend it.

Good job but not something I'm that interested in. I like flowers and gardening but I just don't think I could do it for a job

This was fun!

the presentation felt a bit long

Thank you very much for the plant! I will make sure to take care of it!
