## Rooting into your Future

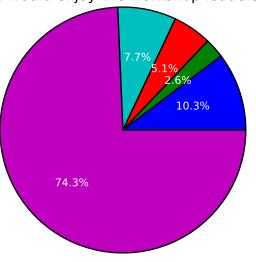

I enjoyed the workshop and learned something interesting.

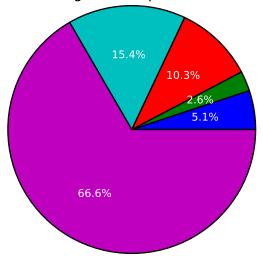

The workshop made me feel like I can I think I would enjoy the workshop leaders' job. have a job in science, engineering or math.

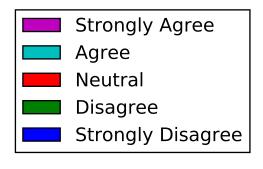

20.5% 15.4%

61.5%

I enjoyed listening to my workshop leader give their presentation.

## Comments

This was an amazing experience and I would totally do this again and recommend it.
Good job but not something I'm that interested in. I like flowers and gardening but I just don't think I could do it for a job
This was fun!
the presentation felt a bit long
Thank you very much for the plant! I will make sure to take care of it!
